

# CTI Documentation Protocol:

- Presenter (teacher, administrator, Consultant) shares documentation without interruption
- Group discusses (not plans): what is interesting, what are you curious about, what stands out for you, etc
- Group provides ideas and makes plans
- Group hypothesizes what we think will happen
- Each group member makes statement regarding what he/she learned: children, teachers, professional development, families, facilitators, etc
- Presenter takes planning ideas back to program and integrates into his/her work.
